RCIP SOLUTIONS FOR CANADIAN AGRICULTURE

**FAST-TRACK INTERNATIONAL
RECRUITMENT FOR FARMING SUCCESS**

**TRANSFORMATIVE SOLUTIONS FOR
FARMING INDUSTRY RECRUITMENT**

The Rural and Northern Communities Immigration Pilot (RCIP) program offers a innovative solution to address labor shortages in Canada's farming sector. This immigration pilot program streamlines the process for skilled workers to settle permanently in rural areas, including those with farming expertise.

WHAT IS THE RCIP PROGRAM?

- A federal initiative designed to address labour shortages in designated communities.
- Allows employers to nominate or retain skilled workers permanently, bypassing the lengthy LMIA process.
- Faster, easier, and tailored for sectors like construction.

THE INDUSTRY INSIGHTS

- Economic Contribution: \$143.8B & 2.3M jobs to Canada's GDP.
- Labor Shortage: Thousands of farming jobs vacant in 2024.
- Efficient Processing: RCIP Program processes applications 300% faster.

**RCIP is now
officially
OPEN.**
