RCIP Program for Construction Businesses

Solve Your Labor Shortage with the RCIP Program

RCIP IS NOW OFFICIALLY OPEN.

The Canadian construction industry is experiencing an unprecedented labor shortage. Contractors, builders, and developers face challenges in finding and retaining qualified staff, which impacts project timelines and costs. The RCIP program—the Rural and Northern Communities Immigration Pilot—is the solution. This innovative initiative streamlines permanent immigration for skilled workers, helping businesses build for the future.

THE INDUSTRY INSIGHTS

- 7%: Construction's contribution to Canada's GDP (StatsCan)
- 1 in 5: Construction jobs remain vacant in 2024
- 300% Faster: RCIP processes applications 300% faster than traditional pathways

Let RCIP and CITRN help with proactive recruitment solutions designed to meet the needs of your business!

What is the RCIP Program?

- A federal initiative designed to address labour shortages in designated communities.
- Allows employers to nominate or retain skilled workers permanently, bypassing the lengthy LMIA process.
- Faster, easier, and tailored for sectors like construction.
