What is the RCIP Program?

- A federal initiative designed to address labor shortages in designated communities.
- Allows employers to nominate or retain skilled workers permanently, bypassing the lengthy LMIA process.
- Faster, easier, and tailored for sectors like hospitality.

Why Choose the RCIP Program for Hospitality?

Access to Global Talent

Tap into a wider pool of qualified, skilled workers.

Faster Processing

RCIP is 300% faster than traditional immigration pathways.

Higher Retention Rates

Employees on RCIP pathways stay twice as long as temporary hires.

Support for Communities

Help address labor shortages while supporting Canada's economic recovery.
